Our Traditional Camp program offers the best programming in the Wilmington Area, and this summer will only get better! Traditional Campers participate in a variety of daily activities, field trips, and special events. For those of you who have participated in our traditional camp programs in the past, we have a few surprises up our sleeves for you too!

Traditional Camp is the foundation of all summer camp experiences, offering the widest variety of activities from arts and crafts to instructional swim, sessions on the low ropes course to adventures on the climbing wall, outdoor gaming activities to hip hop dance class! Campers participate in two daily swim periods and a full range of specialties throughout the day. In traditional camp, we play, laugh, sing, learn, and become friends. We even get a little messy from time to time! Our excellent staff/camper ratios enable us to give every child the personal attention they need to have a wonderful summer!

Don't miss out on the fun at traditional camp this summer! Traditional Camp is available all 9 weeks from June 14–August 13! Join us for at least 8 weeks and receive an 8-Week Discount – see page 14 for more discount details!
